Dear Sir:

In accordance with our telephone conversation of this date, we are herewith enclosing Form C-101, Notice of Intention to Drill, for your I. V. Lucero Well No. 1, San Miguel County, New Mexico, for insertion of the words "Division of The Calvert Distilling Company" following the name Frankfort Oil Company. Please so amend these forms and return them to us as soon as possible.

This action is necessary so that the name of the operator may coincide with the name of the principal on the bond, and the bond received today by this office indicates the principal to be Frankfort Oil Company Division of The Calvert Distilling Company.

It is our understanding that effective August 1, 1957, the above well, together with other assets, will be transferred from Frankfort Oil Company Division of The Calvert Distilling Company to Frankfort Oil Company Division of Joseph E. Seagram & Sons, Incorporated.

You are reminded that Form C-103, Miscellaneous Reports, Reporting a Change of Ownership of a Drilling Well, will be due in triplicate on that date. We are enclosing a supply of these forms for your convenience in this matter.

Very truly yours,

Daniel S. Nutter
Petroleum Engineer
