New Mexico Oil Conservation Commission
P.O. Box 871
Santa Fe, New Mexico

Dear Mr. Stamets:

I have your letter of December 1 inquiring as to when you can inspect oil wells which have been drilled on the Bell Ranch to see that they have been properly plugged.

It is necessary for us to keep the ranch gates locked; therefore, I would appreciate it if you would get in touch with me before you come over. I will be at home from December 18 until about January 7. Therefore, if you would call me two or three days before your coming over during that time I would be glad to meet you at the gate and arrange for you to see the sites of the oil wells. I would appreciate notice a few days in advance so that we can know when to meet you.

Sincerely yours,

Geo. F. Ellis
