TransOcean Oil, Inc.
MCKEE #1, Otero Co., N.M.

No — Santa Fe

Dear Carl:

Attached please find 8 copies of Sundry Notices and Reports on Wells Form
- request for a 90 day extension period on subject well in order that we
may have more time to evaluate our position on the subject acreage.

If there are any problems in the interim please advise as our 90 days will
be up June 12, 1979.

*No
(29th)*

Yours truly,

Re: Extension of Time on Tight Hole
TransOcean Oil, Inc.
McKee #1 Well, Otero Co., N.M.

Dear Carl:

As discussed previously in our telephone conversation, we formally request a 90 day extension period on the subject well in order that we may have more time to evaluate our position on the subject acreage.

If there are any problems in the interim please advise as our 90 days is up on December 12, 1978.

Yours sincerely,

TRANSOCEAN OIL, INC.

J.M. Crews
Senior Drilling Engineer
