TO: MR. CARL ULVOG
Chief Geologist
Oil Conservation Commission
P.O. Box 2088
Santa Fe, New Mexico

Dear Carl,

As operator of the CKZ well #1, I am formally requesting that our mud log be held in total confidence. Also, all information on this well be treated as a tight hold.

Thank you, Carl, for all of your help and cooperation. It is a pleasure working with you.

Sincerely yours,

John S. Gianardi
