17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

We wish to change the size of our casing to the following:

| Hole size | Casing size | Weight/ft. | Setting Depth | Sx of Cement   | Est. Top |
|-----------|-------------|------------|---------------|----------------|----------|
| 8-3/4"    | 7"          | 24#        | 400'          | 200 to surface | surface  |
| 6-1/4"    | 4-1/2"      | 11#        | 2800'         | 200 sx         | surface  |

We intend to drill a 8-3/4" hole to 400'. We will set 7" surface casing. We will then drill a 6-1/4" hole to the Dakota with air. If warranted, we will run 2800' of 4-1/2" casing as a production string.
