Dear Sir:

I wish to acknowledge receipt of your letter of September 25, 1954, with the accompanying copies of Notice of Intention to Drill farms, covering the above captioned well. This application cannot be duly processed until the proper plugging bond has been posted with this office. I am aware of the fact, that the well is being carried on down, as I visited the location last week. It behooves you to consider the gravity of this situation and please act accordingly.

I shall be expecting a letter from you shortly.

Very truly yours,

Eugene A. Chavez
