INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Division not later than 20 days after the completion of any newly-drilled or deepened well. It shall be accompanied by one copy of all electrical and radio-activity logs run on the well and a summary of all special tests conducted, including drill stem tests. All depths reported shall be measured depths. In the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, items 30 through 34 shall be reported for each zone. The form is to be filed in quintuplicate except on state land, where six copies are required. See Rule 1105.

Torrance County, NM

Dear Mr. Romero:

A review of the above mentioned well file indicates that the New Mexico Oil Conservation Division has of yet to receive a Form C-105 on this well. Enclosed please find the necessary form and it would be greatly appreciated if you can return it as soon as possible.

Your assistance in helping close our files is greatly appreciated.

Sincerely,

A handwritten signature in cursive script, appearing to read "Roy E. Johnson", with a long horizontal flourish extending to the right.

ROY E. JOHNSON
