Dear Sir:

Reference is made to your application for approval of a non-standard well location as described above.

It is our understanding that the request for such exception is based on the necessity to drill the well a safe distance from a previously drilled well.

By authority granted me under provisions of Rule 104, Paragraph (f), you are hereby granted an exception to Rule 104 (b) and may drill the well on the above-described location.

Very truly yours,

W. B. Macey  
Secretary - Director
