Dear Mr. Nutter

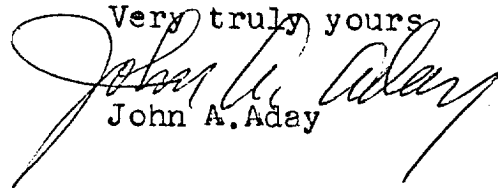

I made A trip over to Oregon and found things as expected but this Corporation that put up this money wants to finish the well.

Mr. Faha (Pres. of the Corp.) wanted me to get this plugging order held of for a while if we could. This Corp. are going to see about this money that didnt come in as promised.

I took the ballance of those samples down to the School of Mines to have them examined and told them to send you an analysis. That was July 22 and I havent heard from them yet.

Please let me know what you decide and when I hear from Mr. Faha Ill let you know when we can go to work.

Very truly yours

John A. Aday
