John A. Aday and George A. Sweetman - One Well Bond to

6 North, Range 6 East) - Amount: \$5,000.00 - Effective:
3/15/52

Dear Mr. Porter:

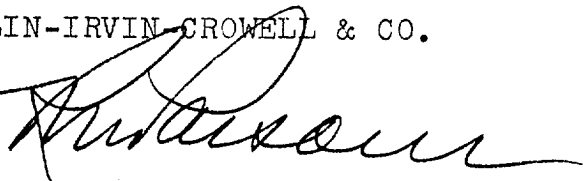

Last year, we had some correspondence in regards the above bond and it was our understanding that arrangements were being made to convert the above well to a water well and transfer it to the land owner. After this was done, we were to be relieved of any further liability under the bond. According to a letter received from Mr. Nutter, there was to be a hearing held a year ago last May in regards this conversion..

Would you please check your records and let us know whether this conversion was ever made, and whether we may now be relieved of liability under the bond? Any assistance you can give us in clearing this matter will be deeply appreciated.

Very truly yours,
