Dear Mr. Milbourn:

It appears from your letter of October 1, 1968, addressed to Mr. J. E. Kapteina, that you are proposing to assume the obligation of plugging and/or converting to a water well the F. D. Meyers Milbourn Well No. 1 located in Unit C of Section 11, Township 6 North, Range 7 East, Torrance County, New Mexico.

As the bonding Company has assumed responsibility for the plugging of the subject well, the Commission believes that any arrangement you make concerning the plugging of the well or the casing in said well must be made with the bonding company.

Very truly yours,

GEORGE M. HATCH
Attorney
