In re: Gruemmer Indian Carbonic, Ltd.

ATTENTION: Mr. Eugene A. Chavez
Oil and Gas Inspector
Dist. No. 4

Gentlemen:

As I advised you in my letter of January 14, Mr. Gruemmer expected a geologist's report very shortly. He called me a day or two ago to advise that this report has not yet been forthcoming. However, at my insistence he has completed the form C-103, with a statement concerning this report. As soon as we have it, we shall forward it to you for your files.

Very truly yours,

Robert S. Skinner
