Mike and Jim,

Please find the enclosed Work Plan for the above reference spill site located in Eddy County, New Mexico. The work plan includes the soil assessment and remedial recommendations for the spill. I will mail you a hard copy of the work plan for your files. Once approved, Tetra Tech will schedule the soil remediation and notify you prior to implementing the work plan. Please let me or Ike Tavaréz know if you need additional information.

Thanks,

Tom Elliott | Project Manager / Environmental Scientist
