Subject: Key BKE API # 30-015-23493
Date: Monday, November 10, 2014 12:39:25 PM

Dear OCD;

Key's BKE SWD had a release of produced water. All fluids are contained on site and we currently picking up the water. Once our emergency actions are over we will submit a spill report within 15 days which will include actions taken and remediation plans to be taken for OCD approval.
