Heather, please find the attached closure request for the Spill reference 2RP-2198, spill was dated 2/10/14

This spill happened on top of spills remediated under on soil closure request dated 10/3/13.

Reference:

2RP-1037, 1208, 1209, 1207, 1457, and 1656.

This may help to tie all the pieces together.

The area was cleaned up and a soil bore was advanced for vertical extent on 7/28/14.

I will deliver the Final C-141 this week.

Thanks

Tony
