Mr. Hicks,

I am getting unburied from vacation and will be reviewing this shortly. I will get back to you soon.

Happy New Year. I think the 3rd revision of the sampling report, which does not refer to other Rules and simply shows the results, is a reasonable format to follow for OCD. I think the results meet all the criteria of BLM to allow closure.

Mike – I will call you as I drive north from Hobbs to ABQ later this morning to see if stopping in to go over the data is a good idea.

Cheers.
