RE: Devon * Cotton Draw #65 * 30-015-10843 * **2RP-2452**

Ms. Wilson,

This Proposal is approved as written. Please ensure to forward lab analysis of S-2 to the OCD immediately upon receipt, as written in the work plan. Like approval by BLM is required for this site.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.
