Cliff,

Your proposal for remediation of the above referenced release is approved.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.

Subject: OXY - James Buchanan CTB - Remediation Plan

Mike,

This e-mail is to request the OCD's approval for the following remediation plan for the above referenced site. I have attached the materials that pertain to the site and the plan. If you will review the diagram on the attachment, it depicts the remediation plan and the area and depth of the excavations. After the soil is excavated, the site will be backfilled with clean soil.

If you would please e-mail your concurrence with this remediation plan, it would be greatly appreciated.

Thanks, Cliff
