Subject: Re: COG - Operating - Pinto 29 Federal Tank Battery - Work Plan - Approval Request

Ike,

This plan is approved as written. The only issue I have is the small spill area east of the heater treater. This is more than likely older. I asked Michelle Mullins if she would have this cleaned up in concert with the spill around the heater treater.

Thanks

Gentleman,

Please find the enclosed Work Plan for the above reference spill site located in Eddy County, New Mexico. The spill has been assessed and the remedial recommendations are included in the work plan. I will mail you a hard copy of the work plan for your files. Once approved, Tetra Tech will schedule the soil remediation and notify you prior to implementing the work plan. Please let me know if you need additional information or call me if you have any questions
