Yes this will work. The Final C-141 will be approved by OCD.

Thank you,

Mike Bratcher

Mike, Kimberly with Talon just called me and said she talked with you about this well and C-141 and you requested just an email stating what Kimberly wrote below. Will this do to close the C-141 out now?

Denise, we did field testing for PH on the Antares location. Since the PH was around 7-7.5, we did not send samples to the lab.

Kim

Denise,

Please provide the PH test results as indicated on the Initial C-141.

Thank you,

Mike Bratcher
