**Subject:** RE: Nash 45 Closure Report  
**Date:** Tuesday, August 25, 2015 8:04:00 AM

---

Mr. Dominguez,

This closure request is approved by the OCD.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, please contact me.

Heather Patterson  
Environmental Specialist  
NMOCD District II  
Office (575)748-1283 ext.101  
Cell (575)703-0228
