Ms. Inskeep,

The OCD has received and processed your initial release notification for the above listed site. In the C-141 it is stated that BTA will excavate the contaminated soil and replace with clean soil. The OCD will require a full delineation at this site to be submitted in a work plan to the district 2 office before this site is excavated and backfilled. The OCD tracking number for this incident is 2RP-3200.

If you have any questions or concerns, please don't hesitate to call.

Thank you,

Heather Patterson
