RE: COG * SRO State Com #008H * 30-015-37548 * 2RP-3092

Lupe,

Can you please provide surface samples at each point and further vertical delineation at sample point S3?

Thanks,

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.
