RE: Mewbourne * Santo Nino 29 Fed SWD #5 * 30-015-28698 * 2RP-3194

Zack,

Your work plan for the above referenced site is approved with the following stipulations:

- Excavate point 3 to 1.5 feet;
- Excavate points 4, 6, and 7 to 2.5 feet;
- Like approval by BLM is required for this location.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.
