Re: COG * Ebony State #4 * 30-015-39412 * 2RP-2683

Lupe,

Your closure request cannot be approved as written. As part of your conditions of approval for closure, a confirmation sample is required for S-1. Also it does not appear as though the pad of the Ebony State #3 was scraped as required (a 6" scrape of S-9, 10, & 11).

If you have any questions or concerns, and for notification, please contact me.
