---

Mr. Sanchez,

There has been a release at a tank battery on a Tandem Energy well. As per OCD records the Southland State #2 well is still a Tandem energy well, and until a change of operator has been approved by the OCD, Tandem Energy holds the liability for this site. You have 15 days to submit a C-141 for this release.

Thank you,

Heather Patterson  
Environmental Specialist  
NMOCD District II  
Office (575)748-1283 ext.101
