Dear Mr. Mike Bratcher and Ms. Heather Patterson,

On 2/4/16 at 1:00 pm R.T. Hicks Consultants will be collecting soil samples at the Finney Oil Company Southland State No.2. The impacted area located at the tank battery has been excavated and impacted material was transported to Lea Land LLC. for disposal. When Lab results are received, a Remediation plan will then be submitted to NMOCD for your approval. Please contact me if further information is required.
