---

Hello Mike and Heather,

We are scheduled to drill the temporary well at the Crossman well pad on Tuesday, March 8, 2016 at 9:00 AM (NM time). The temporary well and the adjacent surface water will both be sampled on Thursday, March 10, 2016 (time to be confirmed). OCD representatives are welcomed to witness the drilling of the well on Tuesday and the collection of water samples on Thursday. If you have any questions, please contact me.
