Mr. Grubbs,

Your work plan approval was only for a partial remediation, with the rest of the work to be deferred. The OCD requests an additional plan on how and when COG proposes to complete the remediation.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.

Thank you,

Heather Patterson
