Good Morning Amber,

We seeded the Vermejo with the NMSLO prescribed seed mixture for loamy sites. The NMSLO revegetation form, a site map, and copies of the seed labels are attached. Please let me know if you need any further information. Thank you.

Respectfully,

Sheldon Hitchcock

Project Manager

Good Afternoon, Sheldon,

NMSLO would like to respectfully request a re-vegetation plan for this site. Please let me know if this site has already been seeded or if there are plans in place to seed it this spring.

Thank you,

Amber Groves

RE: Cimarex * Vermejo SWD #1 (AKA Spiketail SWD #1) * 30-015-40644 * 2RP-2501

Sheldon,

Your closure request for the above referenced site is approved.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.

Heather,

Please see the attached closure report for the Vermejo Transfer Station. We completed all of the work in accordance with the approved work plan and your stipulations. Let me know if you have any questions or concerns.

Respectfully,

Sheldon L. Hitchcock
