I am attaching what I had submitted to Devon and the OCD, but please note the remedial recommendations were directed by Devon.

(I know better, please don't judge me harshly)

Subject: Devon Remediation Proposals

Bill,

I have two hard copy proposals from you for Devon sites. The sites are Cotton Draw Unit 181 SWD, and Todd 36D State 1 SWD.

Could you please send separate electronic versions of those proposals? Sorry for the delay, but these got buried in my paper shuffle.

Thanks,

Mike Bratcher
