Mike,

As mentioned in emails prior, Enviroclean sent those plans without my approval. Devon will be utilizing Safety & Environmental Solutions on these two jobs. I apologize for the confusion.

That being said, if you still feel we need to meet on these two plans I can be available next Wednesday morning at 10 if that would work for you?

Thanks,
Brett

Brett,

OCD is in receipt of remediation proposals from two different contractors for the above referenced releases. We would like to schedule a meeting in the OCD Artesia office to discuss these sites. Please advise when might be convenient for you to meet.

Thanks,
