Hi Heather,

I left you a message regarding this location. I thought that if I sent you a site map with the most recent analytical data, that it might help you!

I want to see if you concur with the original work plan that was submitted to you based on this new information? I do have like BLM approval. If you need any more information; please let me know.

If you concur, we will commence with the clean up as planned. Please advise me.

*Thank You*
