Subject: Lotos C Federal #907
Attachments: Lotos C Federal #907 Sample Map.pdf; Lotos C Federal #907 Table 2.pdf

Mr. Bratcher,

Attached for your review are the Sample Map and Analytical Table for the Lotos C Federal #907, 2RP 3644, operated by Chevron. Based on laboratory analytical results we are proposing backfilling the site. The excavation is approximately 12" deep.

With NMOCD approval the site will be backfilled with clean soil and a Final Closure Report will be submitted.
