RE: Devon Energy * Todd 22B Fed #2 * 30-015-32203 * 2RP-3640

Rebecca,

Your work plan is approved with one condition. Please grab a confirmation sample in the overspray area after treatment.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.
