Heather,

This was not a release on the pad. It was in the containment and it was contained. Yes I sent in the c141. Jerry needs to speak with you on this. What is a good time to call you.

Thank you
Audra

Audra,

Please send me your revised C-141. You will need to go through both Amber with the State Land Office, and myself with the OCD on this release. It appears that there have been more releases on the pad also. Please make sure you include those releases in the revised C-141.

Thank you,
