RE: Devon Energy * Hackberry 18 Fed #1 * 30-015-29780 * 2RP-2959 * 2RP-3272 * 2RP-3502

Your closure request for the above three releases is approved.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.
