**Subject:** FW: Eddy County Pipeline ROW Lateral Z-1-2RP-3433  
**Date:** Monday, September 26, 2016 7:21:29 AM  
**Attachments:** Eddy County Pipeline ROW, Lateral A-1-2RP-3433 (11-30) Update September 2016.pdf

---

This initial C-141 (2RP-3433) includes updated information to reflect an increased estimate of liquids released. During the excavation and repairs of the line, a larger volume of pipeline liquids released was estimated based on the presence of impacted soils.

Please contact Alena Miro if you have questions or need additional information.
