Kimberly,

Your closure request is approved.

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

If you have any questions or concerns, and for notification, please contact me.

NB Tween State #1 Battery \* 30-015-35915 \* 2RP-3511

Good Afternoon Bruce,

Attached is the Remediation and Closure Report along with the Final C-141 for the above referenced release. Please review, should you require any revisions, please let me know.

If acceptable, please sign and return to me the Final C-141. I will file the report and C-141 with the NMOCD on your behalf.

Respectfully submitted,

Kimberly
