RE: COG Operating LLC. \* Federal F #001 Battery \* 30-015-22342 \* 2RP-4049

Rebecca,

I have included a scanned copy of the signed Initial C-141 Remediation Permit along with an attached Conditions of Approval.

Rebecca just an FYI the Initial C-141 you sent had "Dirty Dozen 4H Battery" written in as the Facility name but we noticed that all other information you provided pointed to this release being at the Federal F #001 Battery site so it was entered in for Federal F #001 Battery location in our system and records.

The OCD tracking number for this event is 2RP-4049.

Thank you,
