All,

Please find attached a work plan for the Pintail release we had.

Thank you,

Christine Alderman

All,

We had a produced water release at the above named lease 11/20/2016.

50 bbls were released and 2 bbls were recovered.

A 2" threaded fitting corroded and failed. The affected area was pasture and was approximately 2' x 25'.

Please see attached C-141.

Thank you.

Christine Alderman
