Good Morning Christine,

Thank you for the revised work plan. BLM accepts and approves your work plan. You may begin work after NMOCD has approved your work plan and follow any additional stipulations.

After interim reclamation has been completed ,the pad will be adequately bermed on all sides to minimize the impacts of spills generated on the pad from entering karst drainages.

All,

Please find attached the revised work plan for the Pintail. As soon as we have approval, we will begin work.

Thank you!
