RE: BOPCO/XTO * Poker Lake Unit #213 * 30-015-33859 * 2RP-4265

Jacob,

I have included a scanned copy of the signed Initial C-141 Remediation Permit along with an attached Conditions of Approval. The OCD tracking number for this event is 2RP-4265.

Please note: OCD would like to inquire as to whether there has been any update regarding the remediation for the past two other releases at this same site location, 2RP-3130 and 2RP-4243?

Thank you,

Crystal Weaver
