Subject: RE: COG - Machalada Federal #3D - 2 RP 4152 - Remediation Notification

Mike and Henryetta,

COG is scheduled to perform the proposed remediation at the above referenced site on Monday (2-12-18). Tetra Tech will perform the proposed remediation in accordance to the approved work plan. Once completed, Tetra Tech will then follow-up with a closure report for the site. Let me know if you need additional information or have any questions, thanks
