RE: COG * Myox 6 St Com 12H * **2RP-3696** * DOR: 5/6/16

All,

Your proposal for remediation of the above referenced release is approved. The areas identified as SP-1 and SP-2 will be deferred until site abandonment, or such time as area is accessible.

Thank you,

Mike Bratcher

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.
