RE: Devon Energy \* Cotton Draw Ut 89 \* **2RP-4186** \* DOR: 4/10/17

All,

This proposal for remediation of the above referenced release is approved. Please advise once remedial activities have been scheduled. Federal sites will require like approval from BLM.

OCD records indicate the following RP numbers are also open for this site:

- **2RP-912** \* DOR: 9/21/2011
- **2RP-3728** \* DOR: 6/12/2016
- **2RP-3198** \* DOR: 8/6/2015 This release has an approved remediation proposal in the file, and may have had some work done. The last document is an email from OCD requesting additional delineation at one sample point.

If you have any questions or concerns, please contact me.

Mike Bratcher  
NMOCD District 2  
811 South First Street  
Artesia, NM 88210  
575-748-1283 Ext 108

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to ground water, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, local laws and/or regulations.

2RP-4186

Dear Mike and Shelly,

I can't seem to find where this was sent in so I'm resending it please disregard if you already received a previous email.

Please find attached the work plan for the above referenced location. We would like to begin the remediation activities as soon as possible.

Thank you.

Respectfully submitted,

Kimberly
