Good morning,

NMSLO also approves of the remediation plan. Please be advised that NMSLO will not issue closure for the release until revegetation of the area is completed; not just the remediation.

Good afternoon Larry,

The OCD has approved the remediation plan for the NEDU Injection Trunk Line. The approved plan can be found in 1RP-5285.

OCD Approval of the plan does not relieve the operator of any requirements imposed by other regulatory agencies.

Thank you,
