Ms. Pruett,

TRC Environmental Corp. is giving you a notice for confirmation sampling to be conducted at the COG Operating, LLC release site known as the Myox 32 Fee #002H. Sampling is tentatively scheduled to be conducted 48 hours after sending this notice. If you would like to be present on site during the confirmation sampling, please feel free to contact me by phone or email and I will gladly schedule the sampling around your availability. Thank you.

Respectfully,

**Zachary Conder**
