OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.

Subject: Release Notification - Ross Draw 25 #31 Battery (30-015-43579) release 8-4-19

Good Morning,

This is sent as notification of a fluid release to lined containment that occurred yesterday of an amount equal to or greater than 25 barrels at the referenced facility. The release was stopped and free fluids were recovered. Details will be provided with a form C-141, though please contact us with any questions or concerns. Thank you.

Respectfully,

Amy C. Ruth
