Ike,

It looks like I may have dropped the ball on this one. I just got with Victoria and she should have a response to you shortly. Sorry for letting slip away from away from us.

Thanks,

Subject: [EXT] COG - RJ Unit #108 (4-17-19) 2RP 5417 - Approval Request

Mike,

I wanted to follow up on the approval status for the COG - RJU #108 release located in Eddy County, New Mexico. COG uploaded the work plan on September 24, 2019, but we have not received a response on the plan. The BLM has approved the work plan and we are ready to schedule the proposed remediation at the site. I have attached the work plan for your review. Let me know if you have any questions or comments on the plan, thanks
